You can down load them to your tablet or Chrome and take them with you for that waiting room experience or airport down time. Because they are old, they are free, but, best of all they allow one to take a trip back in time as well as to a foreign location. Plus, most of the world has maintained a since of history and in many cases things written about in these old books are still available today. If one is interested in history these old books are a living history and well worth the price.0 of 0 people found the following review helpful. Three StarsBy richard hillLight hearted and amusing, although written over 100 years ago, I found it an enjoyable read.

This is a pre-1923 historical reproduction that was curated for quality. Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process. Though we have made best efforts - the books may have occasional errors that do not impede the reading experience. We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide.

About the AuthorAmerican author SAMUEL GAMBLE BAYNE (1844-1924) also wrote *On an Irish Jaunting-Car: Through Donegal and Connemara* (1902) and *Quicksteps Through Scandinavia, With a Retreat from Moscow* (1908).
