**Thomas J. Jasany : A Fares of a Cleveland Cabby: 75 True Stories Cabby Reveals : 100 Places He Recommends** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Fares of a Cleveland Cabby: 75 True Stories Cabby Reveals : 100 Places He Recommends:

3 of 4 people found the following review helpful. A fun romp through Cleveland in the back seat of a cab.By Robert A. LucasIn this book Jasany shows his readers more than just the life of a Cleveland cabby, but also the humor and challenges that we all face in everyday life. From sad times to happy times this hard working man from the mid-west must beat the streets to make his living and help everyone meets to make their final destination. With interesting insights and an ear to the ground, Jasany kept my nose in the book until it was done. The only thing lacking is a final copy edit.
