snakes!!0 of 6 people found the following review helpful. Field Guide to Birds of Desert SouthwestBy AlexanderThis Field Guide will be very helpful when we travel to Southeast Arizona. The book arrived in excellent condition and in a timely manner.

This field guide takes you to the desert and grassland areas of Arizona, California, and New Mexico where the total number of bird species reaches a staggering 440. Included are 21 desert birding hot spots, in-depth descriptions and behavioral information, 8 bird charts, and much more.
