**Arthur B. Lander Jr. : A Fishing Guide to Kentucky's Major Lakes** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Fishing Guide to Kentucky's Major Lakes:

0 of 0 people found the following review helpful. Well-written and very helpfulBy A. BaileyI guess that's all I have to say. Would highly recommend.0 of 0 people found the following review helpful. Five StarsBy Customerolder book but still helpful for the area...0 of 0 people found the following review helpful. fishing friendlyBy wayne benson - fish k3has some good basic information. interesting reading.

" This updated fishing guide by expert fisherman Art Lander will help anglers of all skill levels make the most of their time at any of the state's twenty-two most important reservoirs. Lander reveals what type of fishing is best at each lake, where fish can be found during the various seasons, and what tackle and techniques have proven best for each species. Detailed maps of each lake and information on fish feeding habits and marinas make this book an essential guide to the region's lakes and the top fifteen sport fish species inhabiting them.

"Written by a fisherman for fishermen. Landers employs a tight, crisp writing style that makes for easy and pleasurable reading."Courier Journal"If you fish in Kentucky this book is as indispensable as a crankbait or hair jig. A must-have reference book for any Kentucky angler."Gary Garth, South Regional Editor, Field Stream"This book belongs in every Bluegrass angler's library or tackle bag."Lanmark Newspapers
