Robert Cameron : Above Washington - A Collection Of Nostalgic And Contemporary Aerial Photographs Of The District Of Columbia before purchasing it in order to gage whether or not it would be worth my time, and all praised Above Washington - A Collection Of Nostalgic And Contemporary Aerial Photographs Of The District Of Columbia:

A collection of nostalgic contemporary aerial photographs of the District of Columbia. Above Washington cover the area in the following sections. The Federal Cities, then now, District of Columbia, Maryland, Virginia, Washington, like Canberra or Brasilia is a city chosen site as the center of government, instead of having the honor of "capital" imposed at some late date of a city whose natural advantages as a great port or an intersection of continental highways made it predestined to become the center of things.
