From Library Journal These guides on two Pacific Northwest states join the bed-and-breakfast series that already includes Arizona, Colorado, New Mexico, northern California, southern California, and Texas. Easy to use, with a comprehensive table of contents and index, they are arranged alphabetically by city and include information on the area. The series covers small- and medium-sized inns, hotels, and host homes. Each entry has information on the location, size, rates, amenities, awards, additional comments, and, of course, breakfast fare. Entries also have the necessary addresses, telephone and FAX numbers, e-mail addresses, and instructions on how to make reservations. The Oregon volume covers more than 350 establishments, the Washington book, more than 500. This series is an excellent way to plan a trip if you like the charm and atmosphere of bed-and-breakfast accommodations. A Melinda Stivers Leach, Copyright 1999 Reed Business Information, Inc.
