National Geographic Maps - Trails Illustrated : Acadia National Park (National Geographic Trails Illustrated Map) before purchasing it in order to gage whether or not it would be worth my time, and all praised Acadia National Park (National Geographic Trails Illustrated Map):

1 of 1 people found the following review helpful. Four StarsBy DevinWould be nice if they included mileage on the map next to the trails.0 of 0 people found the following review helpful. Five StarsBy Bobby CHeavy duty paper makes all the difference. Very helpful map0 of 1 people found the following review helpful. GreatBy LukeVery nice, detailed map. Really useful for navigating around the island, especially since there is very limited gps/cell signal available. (At least for Verizon)

Waterproof Tear-Resistant Topographic MapNational Geographic's Trails Illustrated map of Acadia National Park is designed to meet the needs of all visitors who wish to explore the islands and bodies of water of this national park. Expertly researched and created in partnership with the National Park Service and others, this map features over 120 miles of trails, ferry routes and key points interest. The print version of the map also includes insets of Mount Desert Island, Schoodic Peninsula and Isle Au Haut. The print and online maps both include trail charts for each of these 3 areas with area descriptions, distances, difficulty ratings and trail features to help you choose the trail most suitable for your activity level and areas of interest. In addition to the unparalleled trail information, the map also covers the historic carriage road system that covers large parts of Mount Desert Island. The map base includes contour lines and elevations of the mountain and contours of all the rivers, lakes, sounds, ponds and other bodies of water that are within and surround the park. The map also display many recreational features and other points of interest, including: visitor centers, campgrounds, trailheads, boat ramps, interpretive trails, swimming areas, museums, lighthouses and ferry launch points. Every Trails Illustrated map is printed on "Backcountry Tough" waterproof, tear-resistant paper. A full UTM grid is printed on the map to aid with GPS navigation.Other features found on this map include: Acadia, Blue Hill Bay, Cadillac Mountain, Deer Isle, Frenchman Bay, Isle Au Haut, Mount Desert Island, Schoodic Peninsula, Swans Island.Map Scale = 1:35,000Sheet Size = 25.5" x 37.75"Folded Size = 4.25" x 9.25"

About the AuthorFounded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking.Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
