David McGaughey, Gordon Couch, William Forrester : Access in London: A Guide for People Who Have Difficulty Getting Around before purchasing it in order to gage whether or not it would be worth my time, and all praised Access in London: A Guide for People Who Have Difficulty Getting Around:

3 of 3 people found the following review helpful. Very Helpful!By marshcroneWe took my wheelchair bound mother

to London recently and this book was a great help!! And people in London were much more helpful with opening doors, getting through doorways, into taxis, etc than they are here in the states! This is a great book for anyone looking to travel in London with a wheelchair!
