Richard Saul Wurman : Access San Diego 5e (Access Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Access San Diego 5e (Access Guides):

0 of 0 people found the following review helpful. The best of all the city guide formatsBy TrailerTrashAs with the other "Access" guides, this is very user friendly and informative. Have used them for years. Too bad that these books are not being updated. Perhaps Mr. Wurman could find someone to bring them to a more current status and have new versions published. Maybe the publisher feels they can't compete against the free info on the internet. That's too bad, if true.
