**From Adc the Map People : ADC The Map People Montgomery County, Maryland: Street Atlas** before purchasing it in order to gage whether or not it would be worth my time, and all praised ADC The Map People Montgomery County, Maryland: Street Atlas:

2 of 2 people found the following review helpful. a reasonable street atlasBy Oleg ObolenskyA reasonable street atlas of Montgomery county. It is a new edition which in fact is worse than the previous one. In the previous edition they used another grid for page divisions which had a better coverage (almost half of Washington DC was included) and was better numbered (now they use 4-digit map numbers instead of two-digit numbers). The only good thing about the new edition is that they have updated the road networks and the maps are now more accurate.0 of 0 people found the following review helpful. good buyBy cvgood deal. accurate map. Included newly built intercounty connector. already stolen by my sister for her car/travels. have to buy another one for myself. delivered early.0 of 0 people found the following review helpful. Five StarsBy KMIIt was used, as expected, but worth the \$.
