Elizabeth Folwell, Amy Godine : Adirondack Odysseys: Exploring Museums and Historic Places from the Mohaw to the St. Lawrence before purchasing it in order to gage whether or not it would be worth my time, and all praised Adirondack Odysseys: Exploring Museums and Historic Places from the Mohaw to the St. Lawrence:

Northern New York's rich heritage comes alive in this entertaining guide to hundreds of museums, historic sites, forts and homesteads. From Saratoga Springs to the St. Lawrence River you'll find fascinating collections and locations as each chapter treats a special period in the region's history. Co-authors Elizabeth Folwell and Amy Godine describe these diverse destinations to help you plan your own excursion into the Adirondack past.
