Ed Readicker-Henderson, Lynn Readicker-Henderson : Adventure Guide Inside Passage Coastal Alaska (Adventure Guide to the Inside Passage Coastal Alaska) (Adventure Guide to Coastal Alaska the Inside Passage) before purchasing it in order to gage whether or not it would be worth my time, and all praised Adventure

Guide Inside Passage Coastal Alaska (Adventure Guide to the Inside Passage Coastal Alaska) (Adventure Guide to Coastal Alaska the Inside Passage):

7 of 7 people found the following review helpful. No Active Table of Contents - Kindle version worthlessBy CustomerI have the print version of this book, and it is one of the best for the Inside Passage, but the Kindle version is unusable due to the fact that there is no Active Table of Contents. How does one flip through to the section on Wrangell, for instance? A search for Wrangell brings up 26 pages, with approx 5 locations on each page. I am very disappointed, and would return, except one can't return a Kindle version.0 of 0 people found the following review helpful. great information, we haven't gone yet to AlaskaBy Judy Bakergreat information, we haven't gone yet to Alaska, but gave us information of where to go and what to see when we get there.0 of 0 people found the following review helpful. lots of good info.By CJHelpful guide, lots of good info.

The focus of this book is the Alaska Marine Highway, which serves as a lifeline for many coastal communities in Alaska. This ferry system - a total of nine boats - links tiny coastal communities and large cities alike. It runs from Washington, up the Inside Passage, all the way to the Aleutians in the far north, a total of 3,500 miles. The Adventure Guide to The Inside Passage Coastal Alaska follows this route, telling you everything you need to know about the ships themselves, the sights and the towns. Tours on land - flightseeing, kayaking, canoeing, boating - are covered. The book is targeted at anyone traveling in this region, not just those taking the ferry, and has full information on what to see and do in each town, where to stay and eat and how to get out of town. Extensive details about wildlife, including the best places to see some, and how to be an eco-conscious traveler.
