**Readicker Henderson : Adventure Guide to Coastal Alaska and the In Edition (Adventure Guide to the Inside Passage Coastal Alaska)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Adventure Guide to Coastal Alaska and the In Edition (Adventure Guide to the Inside Passage Coastal Alaska):

The authors are long-time Alaska enthusiasts who examine the natural and human history of the coastal area, from Anchorage south. This second edition updates details on travel and lodgings in the region, advising on hiking opportunities and other outdoors adventures. A good take-along companion. -- Midwest Book
