Kayaking on Cape Cod is a beautiful experience. There are so many places to launch and beautiful scenery to be seen and this book helps you find where to go and where you are going. My only complaint would be to add more than 1 launch/trip per town. There are many locations that were overlooked. Please, add more! Otherwise, a great resource.2 of 2 people found the following review helpful. All the

It has all the launching info (parking, tides, specifics for each site), great descriptions about the trips, what to expect to see and encounter, great Topo maps, plus the safety tips for behaviour and gear you need to be aware of when venturing out into tidal waters. We even met one of the advisors to the author on a guided tour! 5 of 8 people found the following review helpful. adventure kayaking By R.
