Dick's ReviewBy AnthonyQuite interesting to read about his travels and experiences out West in the early days.Maybe too much detail on the silver mines.Would have been nice to see some maps showinglocations of his travels. Some of the towns are recognizable today, but some are not on maps.

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide.
