The editing by the subject's nephew is not great, but her story has many accurate details that make you feel that you are there with her during a terrible ordeal. Mary Phinney was a most remarkable woman with the purest intentions and a great spirit. 1 of 1 people found the following review helpful. love history great information By Customer got here fast and is a very interesting read. 0 of 0 people found the following review helpful. Five Stars By Customer great reading

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
