purchasing it in order to gauge whether or not it would be worth my time, and all praised *Adventuring in the Rockies: The Rocky Mountain Regions of the United States and Canada Featuring Jasper, Kootenay, Banff, Glacier, Yellowstone...* (Sierra Club Adventure Travel Guides):

0 of 0 people found the following review helpful. A book for a very dear friend who loves the great outdoors. By Joseph Wenzel Modest price, timely delivery, VG to E condition. This book is going on a trip to Idaho and will end up in the family of a friend, which is what the Sierra Club *Adventuring* series is intended.

Here is the first comprehensive guide to the unbounded recreational opportunities in the great central mountain range of the United States and Canada. Stretching from the northern reaches of British Columbia through Montana, Idaho, Wyoming, and Colorado to the high desert country of New Mexico, this scenic area encompasses some 2,000 miles and includes many of the most celebrated parks in the world. *Adventuring in the Rockies* features:-- The best seasons and places for a wide variety of outdoor activities, including hiking and backpacking, skiing, canoeing, bicycling, camping, car touring and picnicking, ballooning, wildlife viewing, and more-- Lodging and camping, from the great resort hotels to remote wilderness areas-- Popular cultural events, from rodeos to music and film festivals-- Natural and human history, climate, geology, and wildlife-- Transportation in and around the Rockies, including suggestions for maps and backcountry gear-- For all who want to enjoy to the fullest the wealth of recreational opportunities in North America's premier wilderness playground, this information-packed Sierra Club Adventure Travel Guide is an indispensable resource.

*Adventuring In The Rockies* is the first comprehensive guide to the unbounded recreational opportunities in the great central mountain range of the U. S. and Canada. Stretching from the reaches of British Columbia through Montana, Idaho, Wyoming and Colorado to the high desert country of New Mexico, *Adventuring In The Rockies* encompasses some 2,000 miles of scenic area, including many of the most celebrated parks in the world. *Adventuring In The Rockies* features a wide variety of outdoor activities; lodging, camping and resort hotels; cultural events from rodeos to music and film festivals; natural and human history, climate, geology and wildlife; transportation, maps, and even backcountry gear. *Adventuring In The Rockies* is a "must" for any Rockies bound vacationer, hiker, hunter, fisherman, or camper. -- Midwest Book From the Inside Flap Here is the first comprehensive guide to the unbounded recreational opportunities in the great central mountain range of the United States and Canada.
