As any dog lover can attest, canines are more than just pets; they are members of our families and an integral part of our lives. We include them in holiday celebrations, spoil them on their birthdays, and even dress them up to root for our favorite teams. In *Campus Canines: The Dogs of Indiana University*, current students, alumni, and fans share photos of the retrievers, hounds, terriers, and mutts that share their campus, homes, and hearts. This fun and playful collection includes 150 photographs showcasing canines across campus at popular locations like Dunn Meadow, the Indiana Memorial Union, or Showalter Fountain, and across the country in their IU gear. The perfect gift for any IU or dog lover, *Campus Canines: The Dogs of Indiana University* shows that school spirit can also be shown on four legs.
