Cindy Hirschfeld : Canine Colorado: Where to Go and What to Do with Your Dog before purchasing it in order to gage whether or not it would be worth my time, and all praised Canine Colorado: Where to Go and What to Do with Your Dog:

7 of 7 people found the following review helpful. terrific and long overdueBy A CustomerCindy Hirschfeld has done a great job, covering all major areas of the state (including some out-of-the-way escapes for the agoraphobic pooch). Her information is concise and for the most part complete and accurate. One word of caution -- call before simply

showing up at lodgings with your pet. I found several entries in Cindy's book where pet policies had changed since publication. Cindy also indicates for each area where emergency and routine veterinary services can be obtained -- a WONDERFUL and thoughtful addition. This book is a must-have guide for anyone planning to travel in Colorado with a furry family member (as my beagles will attest). 1 of 1 people found the following review helpful. PerfectBy AmandaThis book was my guide when I took a road trip last summer to Colorado with my pup. Helpful information about activities, hiking, lodging, etc. that are dog friendly. A must-buy for traveling with your canine copilot. 0 of 0 people found the following review helpful. A must have for Dog owners!!By KatieIt not only tells you all the places you can take your pup, but it also tells you where you can NOT. Keeps you from having to wonder about places. List which 14ers dogs can handle, also info on having them on or off leash, does the hike have water or not. This book isn't just about taking your dog with you, its about having your dog be very happy and comfortable. Everything you need to know is here!

Information on the multitude of dog-friendly trails, outdoor excursions and accomodations located throughout the Centennial State.

From the PublisherFully revised and updated, Canine Colorado is the best-selling guide to dog-friendly travel in the Centennial State.About the AuthorCindy Hirschfeld is a freelance writer and editor, specializing in outdoor activities and travel, for publications including Skiing magazine, Backcountry magazine, and The Denver Post. She and her golden retriever, Clover, live in Aspen, Colorado, where they hike, run, bike, ski, and climb together.
