before purchasing it in order to gauge whether or not it would be worth my time, and all praised Canoe Camping Vermont and New Hampshire Rivers: A Guide to 600 Miles of Rivers for a Day, Weekend, or Week of Canoeing (Backcountry Guides):

0 of 0 people found the following review helpful. Five StarsBy LeoLove the way it presents trips and paddles. Easy to use!  
1 of 1 people found the following review helpful. Good intro to canoeing in the regionBy Joshua BroughtonThis book is very detailed in the description and directions to rivers it highlights, but it is limited in the number of rivers in the two states.  
17 of 18 people found the following review helpful. Don't buy this book if you are looking for camping infoBy IceaxeThis book's title is misleading, and provides next to no info about camping. Its information about water conditions and white water classifications is pathetic (and unsafe) as well. More information is available about the rivers the author chose to include in the DeLorme Vermont Gazetteer and Atlas. I wish I didn't order this book, it will become camping toilet paper or an emergency fire starter.

Written by local experts, our paddling books are indispensable resources for kayakers and canoeists. Includes information on:  
Equipment and clothing  
Launch sites and water conditions  
Wind, currents, and tides  
Charts and maps

An interesting and thoughtful collection of information about thirteen rivers in Vermont and New Hampshire....The sections on trip planning are well thought-out and could save you a cold, wet night by a campfire. -- Tom Watkins, "Vermont Woodlands"  
Not only a useful source of information, but entertaining as well. -- Evening Citizen, Laconia NH  
[Schweiker] gives you the important information that gets you to the river and down it safely and enjoyably. -- Vacationer Magazine  
About the Author  
Roioli Schweiker has been paddling the rivers of New England for most of her life. She leads canoe trips for all ages with the Appalachian Mountain Club, and was the editor of the AMC River Guide from 1978 to 1986.
