**Philip Jones : Canoe Routes Northwest Oregon** before purchasing it in order to gage whether or not it would be worth my time, and all praised Canoe Routes Northwest Oregon:

I have a few books on canoeing and kayaking around the northwest, but this is the only one I've ever found that breaks down and describes sections of the rivers (particularly the Willamette). I'm a happy camper (and kayaker)!0 of 0 people found the following review helpful. good resourceBy Don KristensenCovers all the river in the Willamette valley.Have canoed all routes on the Willamette RiverWell written, good maps
