Engaging and concise, yet filled with carefully selected details | File size: 30.Mb

Johnny Molloy : Canoeing Kayaking Florida (Canoe and Kayak Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Canoeing Kayaking Florida (Canoe and Kayak Series):

3 of 3 people found the following review helpful. comprehensiveBy Ken KardashAn amazingly detailed and comprehensive paddling atlas that lives up to its broad title. There is a very concise introduction to state geology that defines the various regions that comprise the chapters. As a non-native, I was enthralled by the discovery of the central

springs! I visited three of the sites and found all the information accurate. What it may lack in engaging prose it more than makes up for in practicality and usefulness: not just a listing of nice routes, but the nitty-gritty of how to get in and out and where you can rent gear if you aren't bringing your own. 0 of 0 people found the following review helpful. Five Stars By Customer Outstanding guide. Johnny Molloy has a winner with this updated guide. 0 of 0 people found the following review helpful. Best Florida kayaking book By JUDY BENTEL Great update to book I already had. It is very informative and has new features about arriving at destination

Completely updated yet again, the latest edition of *Canoeing Kayaking Florida* is the most comprehensive guide to the best of Florida's unique streams, springs, creeks, and rivers. Engaging and concise, yet filled with carefully selected details vital to any successful Florida paddling adventure, *Canoeing Kayaking Florida* spares readers encyclopedic fluff in favor of practical, no-nonsense information. With expanded regional maps and revised river maps, *Canoeing Kayaking Florida* is simply the best and most informative Florida paddling guide available. Several new paddling destinations have been added to this latest edition, including waterways like Shingle Creek, where a swift stream swishes through a cypress forest. Then there's quiet coastal Shell Creek and the mighty Apalachicola River, a big water destination with big sandbars, big hills, and a fast current compared to more intimate Florida waterways. Still other new streams await your arrival. For over 30 years, *Canoeing Kayaking Florida* has provided the essential information needed to paddle the waterways of Florida. Paddling has grown steadily in Florida due in part to this excellent guidebook, the establishment of paddling clubs, the positioning of outfitters on rivers, and population growth. The rise in the use of recreational kayaks has also led to the rebirth of paddling's popularity. Let *Canoeing Kayaking Florida* be your guide to the paddling possibilities in the Sunshine State.

About the Author Johnny Molloy is a writer and adventurer based in Johnson City, TN. He has written more than 40 books about the outdoors, including hiking, camping, and paddling guidebooks; comprehensive guidebooks about specific areas; and true outdoor adventure books set throughout the Eastern United States. Molloy writes for various magazines and websites, and he is a columnist and feature writer for his local paper, the Johnson City Press.
