John D. Buchanan : Canoeing Manitoba Rivers: South before purchasing it in order to gage whether or not it would be worth my time, and all praised Canoeing Manitoba Rivers: South:

0 of 0 people found the following review helpful. canoe manitobaBy mom5I ordered this book for my husband and sons who plan to canoe the Bloodvein River in Manitoba. The book is full of useful information and pictures. It seemed a bit pricey for a paperback book, but I guess it's a one-of-a-kind book! The guys are happy with the book so I am too.
