National Geographic Maps, Waterford Press : Canyonlands National Park Adventure Set: Map Naturalist Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Canyonlands National Park Adventure Set: Map Naturalist Guide:

The Canyonlands National Park Adventure Set consists of a Pocket Naturalist Guide and National Geographic Map. These lightweight references offer a perfect resource for travelers wanting "hands on" information of what to see and where to go to find some of the world's most dramatic natural attractions. Waterford's Southwestern Desert Birds is the go-to guide for nature lovers and avid bird watchers. This durable guide highlights over 140 familiar bird species found in this region with beautiful full color illustrations and clear, concise descriptions. It is a great, easy to use guide to have while exploring through this amazing desert land. It is packaged with National Geographic's Canyonlands National Park Trails Illustrated Map, a folded waterproof map that provides global travelers with the perfect combination of detail and perspective. This map also contains brilliantly detailed topographic information, useful traveling tips, and tons of regional information.
