**Karin M. Gertsch : Cape Ann and Vicinity, A Guide for Residents and Visitors** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cape Ann and Vicinity, A Guide for Residents and Visitors:

All-in-one, year-round guide for Essex, Gloucester, Ipswich, Manchester-by-the-Sea, and Rockport, Massachusetts

The reader can concentrate in one area on a day-by-day basis or jump from place to place in search of everything from tennis, painting, cuisine and the arts. This nifty little periodical will serve to enhance its readers' enjoyment of one of America's most picturesque and historic areas, the North Shore's Cape Ann. -- Gloucester Daily Times, June 26, 1997  
From the Publisher This hands-on guide written by a long-time resident serves new or lifetime residents, families, students, and visitors. Book provides everything to see and do, history, museums, art and music, boat trips, beaches, parks, recreation, tours, lodgings, and restaurants. Contains illustrations, photos, maps, calendar, and index.  
From the Author I was born in Germany and have lived on both sides of the Atlantic. This guidebook helped me learn to understand an area I've called home for thirty-eight years. I now appreciate the history, the people, the culture, coastal ecosystems, and constant interaction of people, land and sea.
