**Sebastian Bond : Cape Cod - 2016 (The Food Enthusiast's Complete Restaurant Guide)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cape Cod - 2016 (The Food Enthusiast's Complete Restaurant Guide):

0 of 0 people found the following review helpful. Exact Same content as "Long Weekend Guide" by Andrew Delaplaine  
By JlynnI purchased this book along with Delaplaine Long Weekend Guide Cape Cod by Andrew Delaplaine to provide general information about the Cape for a rental property. Although the books have different authors, the 1st chapter in each is identical. Also not sure how up to date the 2016 book is as I noticed one of the listings, the Beehive Tavern closed in Sept. 2015.  
0 of 0 people found the following review helpful. Restaurant Guide  
By godmotherx4Not as good as I had hoped. Will try some of the restaurants this summer.  
0 of 0 people found the following review helpful. Five Stars  
By R. GoldbergExcellent source of dining information. The restaurants we tried were as described

There are many people who are enthusiastic about foodthe cooking of it, the preparation of it, the serving of it, and lets not forget the eating of it. But Sebastian Bond is the ultimate Food Enthusiast. This is another of his books with spot-on reviews of the most exciting restaurants in town. Some will merit only a line or two, just to bring them to your attention. Others deserve a half page or more. Exciting does not necessarily mean expensive. The areas top spots get the recognition they so richly deserve (and that they so loudly demand), but there are plenty of sensible alternatives for those looking for good food handsomely prepared by cooks and chefs who really care what they plate up in the kitchen. For those with a touch of Guy Fieri, Bond ferrets out the best food for those on a budget. That dingy looking dive bar around the corner may serve up one of the juiciest burgers in town, perfect to wash down with a locally brewed craft beer. Whatever your predilection or taste, cuisine of choice or your budget, you may rely on Sebastian Bond not to disappoint. Bond dines anonymously at the Publishers expense. No restaurant listed in this series has paid a penny or given so much as a free meal to be included. Bon Apptit!
