**Kimberly Grant : Cape Cod and the Islands - An Explorer's Guide (1997 Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cape Cod and the Islands - An Explorer's Guide (1997 Edition):

1 of 1 people found the following review helpful. All you'll want to know about the CapeBy ernest schuskyI visited the Cape on a tour so seldom had need for restaurant or hotel guide, but the 'places of interest' references was invaluable. I suspect the restaurant recommendations would be of equal value.3 of 3 people found the following

review helpful. the most thorough and honest guide to the regionBy A CustomerAs the author of this guide, I am partial to thinking IT IS THE BEST guide to Cape Cod, Martha's Vineyard, and Nantucket. I will be researching the region from June through August 1998 and would appreciate any comments or suggestions for the next edition. If your suggestion/s is/are used, the publisher will send you a free copy of the third edition.

A revised guide to Cape Cod, Nantucket and Martha's Vineyard, with historical introductions to each town, hotel and restaurant recommendations, and information on beaches, shopping and seasonal events. The book is also peppered with anecdotes on topics such as art and ecology.
