**Dana Eldridge : Cape Cod Lucky : In Another Time** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cape Cod Lucky : In Another Time:

0 of 0 people found the following review helpful. Brings back memoriesBy RonaI thoroughly enjoyed this book. It brought back personal memories of time I spent at the shore growing up in much simpler times. It's light reading and may rekindle times forgotten.

Dana Eldridge is a quintessential storyteller and in his newest book, Cape Cod Lucky-In Another Time, he gives the

reader a glimpse into the Cape Cod of his youth. An eloquent sequel to his first book *Once Upon Cape Cod*, *Cape Cod Lucky* is a story of growing up on the Cape in the mid 40's and 1950s - one of the "last remnants of the unhurried life of the nineteenth century". He writes with an infectious humor and a wonderful parochial style as he tells of the people and places of the land he so loves.

"The book is rich in detail and narrative about this wonderful Cape Cod past." -- Phyllis Gordon Koppell, *Cape Cod Chronicle* "You'll smell the salt wind, you'll hear the surf roaring on the bar, and you'll laugh out loud..." -- William Martin, Author, *Cape Cod, Back Bay, Annapolis, Citizen Washington* About the Author Dana Eldridge is a thirteenth generation Cape Codder on both sides of his family. He has spent a lifetime on or near the waters of Cape Cod, Massachusetts. A marine biologist by education, he went on to teach commercial fishing to secondary students for twenty years. He now works part time for the Cape Cod National Seashore as an interpretive ranger, and writes a bi-weekly column for *The Cape Codder Newspaper*.
