Kim Grant : Cape Cod, Martha's Vineyard Nantucket: An Explorer's Guide (Eighth Edition) (Explorer's Complete) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cape Cod, Martha's Vineyard Nantucket: An Explorer's Guide (Eighth Edition) (Explorer's Complete):

7 of 7 people found the following review helpful. Most comprehensive and best-researched guide book for the Cape

IslandsBy RICHARD THOMASWe have owned several editions of this book and we always look forward to the new edition. This one is no exception. The author provides a heft of research with real insider knowledge that makes this our most valuable Cape Cod guidebook resource. It's all presented in a very accessible manner. From on-target restaurant reviews to off-the-beaten path explorations, this book is an essential for both the seasoned Cape dweller and new visitors alike. Unlike many more "corporate" guidebooks, this is our most reliable resource because the author has the depth of knowledge of one who has returned to the topic many times with an eye for fine-tuning information. If you wanted to hire a personal guide to take you around Cape Cod, Martha's Vineyard and Nantucket, you'd want that guide to be Kim Grant. We often lend our copy to our visiting guests and they cling to it like a bible...they love it. Sine qua non.0 of 0 people found the following review helpful. Love this guide!By A. C.If you want to explore the Cape and find the beaches worthwhile visiting as well as biking trails and so much moreThis is the book for you. I have used mine for over 3 years now and have discovered towns that I probably would never have as well as beautiful shorelines. I am never disappointed when I arrive to Kim's recommendations. I also gave one as a b-day gift to a fellow cape codder who LOVES it as much as I do. It never leaves my car. ... Didn't really want to write a review since we don't really need any MORE people down here ... ;-)
1 of 1 people found the following review helpful. Good on Restaurants and Places to See, not the Best on Overnight PlacesBy ernest schuskyWe were on a tour of New England so I hesitate to stress my evaluations since places to eat and stay were mostly picked for us. However we did have a few meals on our own and the Cape Cod guide was worth the price. We looked in at two or three recommended places to stay and had our doubts.The guide does seem to be updated often.ernestschusky.com

The thoroughly updated eighth edition of Cape Cod, Marthas Vineyard Nantucket provides hundreds of select recommendations for activities and things to see and do. Kim includes up-to-date recommendations for lodgings and hundreds of dining reviews, from clam shacks to four-star restaurants. She also profiles outdoor activities and the cultural opportunities that abound in the region. 100 black white

About the AuthorKim Grant is a travel writer and photographer. Her photography appears in Explorers Guides to Maine, Vermont, New Hampshire, the Berkshire Hills and Pioneer Valley of Western Massachusetts, Connecticut, Rhode Island, and New York City, as well as other travel guides and national magazines. She is the author of Explorer's Guide Cape Cod, Marthas Vineyard Nantucket and Explorer's Guide Hawaii, plus several Lonely Planet guides. She divides her time between Albuquerque, New Mexico, and Sausalito, California.
