Most comprehensive and best-researched guide book for the Cape IslandsBy RICHARD THOMASWe have owned several editions of this book and we always look forward to the new edition. This one is no exception. The author provides a heft of research with real insider knowledge that makes this

our most valuable Cape Cod guidebook resource. It's all presented in a very accessible manner. From on-target restaurant reviews to off-the-beaten path explorations, this book is an essential for both the seasoned Cape dweller and new visitors alike. Unlike many more "corporate" guidebooks, this is our most reliable resource because the author has the depth of knowledge of one who has returned to the topic many times with an eye for fine-tuning information. If you wanted to hire a personal guide to take you around Cape Cod, Martha's Vineyard and Nantucket, you'd want that guide to be Kim Grant. We often lend our copy to our visiting guests and they cling to it like a bible...they love it. Sine qua non.0 of 0 people found the following review helpful. Love this guide!By A. C.If you want to explore the Cape and find the beaches worthwhile visiting as well as biking trails and so much moreThis is the book for you. I have used mine for over 3 years now and have discovered towns that I probably would never have as well as beautiful shorelines. I am never disappointed when I arrive to Kim's recommendations. I also gave one as a b-day gift to a fellow cape codder who LOVES it as much as I do. It never leaves my car. ... Didn't really want to write a review since we don't really need any MORE people down here ... ;-)

Good on Restaurants and Places to See, not the Best on Overnight PlacesBy ernest schuskyWe were on a tour of New England so I hesitate to stress my evaluations since places to eat and stay were mostly picked for us. However we did have a few meals on our own and the Cape Cod guide was worth the price. We looked in at two or three recommended places to stay and had our doubts.The guide does seem to be updated often.ernestschusky.com

"A special guide to a special place."The Boston Globe In this completely revised and updated sixth edition, veteran travel writer and photographer Kim Grant provides discriminating recommendations of hundreds of things to see and do and places in which to eat and stay on Cape Cod and the Islands. She leads eager travelers to nature preserves and bird sanctuaries; bicycle trails and beach paths; historic homes and lighthouses; whale-watching, sailing, and shell-fishing; antique shops and local artisans; and summer theatre, live music, and nightlife. In addition, this comprehensive and best-selling guide to the region includes opinionated listings of inns, BBs, hotels, vacation cottages, and campgrounds; hundreds of dining reviews, from clam shacks to four-star restaurants; suggested itineraries for stays of varying length; 22 up-to-date maps; an alphabetical "What's Where" subject guide to aid in trip planning; and handy icons that point out places of extra value, family-friendly establishments, wheelchair access, rainy day activities, places that are open in the off-season, and lodgings that accept pets. 100 black white photographs, 22 maps, index.

From Library JournalThis third edition of Grant's book is a comprehensive guide to a small but popular part of America. The seven chapters cover the upper, mid, and lower Cape, the outer Cape, Provincetown, Martha's Vineyard, and Nantucket. A preliminary section, "What's Where," gives a general look at attractions, shops, transportation, events, and other information. Each chapter is divided by towns, and each includes things to see, outdoor activities, beaches, ponds, walks, lodging, dining, entertainment, and shopping. Symbols indicate off-season attractions; good values for lodging, restaurants, activities, and shops; child and family interests; pet-friendly places; and rainy-day activities. Grant, a Bostonian, has written Lonely Planet and Insight guides to New England and claims to have visited all the places mentioned in this guide. Highly recommended for all public libraries.AGeorge M. Jenks, Bucknell Univ., Lewisburg, PA Copyright 1999 Reed Business Information, Inc. A special guide to a special place. -- Boston GlobeThis book answers every question you'd ask and some you wouldn't even have thought to ask. -- The Martha's Vineyard TimesAbout the AuthorTravel writer and photographer Kim Grant is the author of Lonely Planet Boston, Lonely Planet Miami the Keys, and Lonely Planet Hawaii. She is also the author of Countryman's Hawaii: An Explorer's Guide. Her photography appears in Explorer's Guides to Maine, Vermont, New Hampshire, the Berkshire Hills Pioneer Valley, Connecticut, Rhode Island, and New York City, as well as in other national travel guides and magazines. When she's not exploring the Cape, Kim lives in Boston.
