Daniel Lombardo : Cape Cod National Seashore: The First 50 Years (Images of America) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cape Cod National Seashore: The First 50 Years (Images of America):

2 of 2 people found the following review helpful. Beautiful Book!By Reviewer from TerraI got this as a present for someone who had a summer home in Cape Cod and she loved it. Filled with interesting text and beautiful pictures, I have several of the companies other books and none has ever disappointed.1 of 1 people found the following review

helpful. PERFECT GIFT
By Maggie's Mom
Purchased this book as a gift for someone who has spent the last 60 summers in Cape Cod. They loved it. Lots of nice pictures. Very happy with my purchase and it shipped fast.

Interesting to learn the history of the canal.

When Pres. John F. Kennedy established the Cape Cod National Seashore in 1961, it was acclaimed as the finest victory ever recorded for the cause of conservation in New England. When erosion and overdevelopment threatened the Cape, the idea of a national seashore took hold, forever protecting this treasured place. The park preserves 44,000 acres of forest, marsh, bog, and ponds, and a 40-mile stretch from Provincetown to Chatham, which Henry David Thoreau called the Great Beach. Unlike other national parks at the time, the Cape Cod National Seashore was created from a combination of private, town, state, and federal lands. *Cape Cod National Seashore: The First 50 Years* captures the political drama of the creation of this extraordinary seashore. Images detail an early Native American presence and the romance of whaling, shipwrecks, lighthouses, windmills, and dune shacks.

Title: *Images of America: Cape Cod National Seashore: The First 50 Years*

Here's another wonderful offering in Arcadia Publishing's photography series, this one by Daniel Lombardo, literary manager at Wellfleet Harbor Actors Theater. As with all the hundreds of titles in this series (search www.arcadiapublishing.com to see if your town has been written about), the book consists of photos with extensive captions. From page to page, the story is told. Although the Cape Cod National Seashore only goes back 50 years, the story of the land goes back to early times.
About the Author
Daniel Lombardo has been the Wellfleet Harbor Actors Theater dramaturg and literary manager since 2005. He is a writer and theater director and has worked on many television and film projects as a research consultant. He is the author of 10 books, including *Wellfleet: A Cape Cod Village*.
