Agnes Rothery : Cape Cod New Old before purchasing it in order to gage whether or not it would be worth my time, and all praised Cape Cod New Old:

From the 1918 foreword: ""The old road to the Cape is lost and with it much of the dust, both of reality and romance. But a new road has opened, bringing every year hundreds and hundreds of automobiles; and literally thousands of men and women who would otherwise never breathe the balmy air or see those windswept moors. . . Surely, we old Cape-

Codders must and do greet them all hospitably. It is for their special welcoming that this little book is written."
