**Arthur P Richmond : Cape Cod Wide** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cape Cod Wide:

0 of 0 people found the following review helpful. Captured the Essence of Cape Cod By Yvonne Rarely does one book capture the essence of a Region, especially one as beautiful as Cape Cod. Mr. Arthur P. Richmond has definitely brought together in this one book everything beautiful and present that I know after living here for 44 years. I love it as a reference of where to explore, places to spend an afternoon or a week. The pictures have that rare capability of placing the reader precisely in that spot without the distractions of people peppering the landscapes. If there was a Michelin award for great Photo books, CAPE COD WIDE would have 4 stars. 0 of 0 people found the following review helpful. Expansive views of Cape Cod landscapes By Customer The quality of the photographs is excellent. The panoramic format portrays the landscapes well. The only short-coming was the lack of variety of the subject matter. The pictures were almost exclusively of beaches and kettle ponds and sand dunes. I was hoping for more shots of the built environment. 0 of 0 people found the following review helpful. All these books are imperative in my continued work in ... By Barbara Phillips All these books are imperative in my continued work in artistic representing of Cape Cod and the islands. I have my own pictures, so I am not using your pictures for painting, but the book gives me an edge.

If you can own only one coffee table book of Cape Cod, Massachusetts, this is the one you'll treasure. Wide-angle views of the beautiful Cape will take you back to seaside scenes, fabulous sunsets, and views of your favorite harbors and lighthouses. This oversized edition provides a beautiful medium for the art of panorama depiction perfected by this talented Cape photographer. You'll savor every turn of each page, time and again.

About the Author Arthur P. Richmond has been an active photographer for over 45 years. He worked on a newspaper and gradually became involved with text books, magazines, and other publications. His images can be found in books, calendars, and postcards, as well as several galleries around Cape Cod.
