**Triumph Books : Cardinals Rule: The St. Louis Cardinals Incredible 2006 Championship Season** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cardinals Rule: The St. Louis Cardinals Incredible 2006 Championship Season:

The full story of the Cardinals' fateful, and surprising, run to the 2006 World Series title is captured in this action-packed commemorative volume. The team's first title since 1982 is celebrated by collecting profiles of the season's star players, complete recaps of every postseason game, and stunning photography. The end result is a must-have keepsake

for every St. Louis baseball fan.
