Anne Vipond : Caribbean by Cruise Ship before purchasing it in order to gage whether or not it would be worth my time, and all praised Caribbean by Cruise Ship:

The world's most popular cruise area comes alive in this beautiful guide to Caribbean cruising. Written especially for cruise travelers, the guide paints a vivid portrait of each island. Includes details of the unique history and culture of the Caribbean, ways of getting around ports, cab fares, local best beaches, and more. 139 color photos, 115 bw photos, 100 maps.
