Rand McNally : Charlottesville (Rand McNally Easyfinder) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Charlottesville (Rand McNally Easyfinder):

0 of 0 people found the following review helpful. Good buy By AC This was given as a gift but received much acclaim. I owned the San Diego version when I lived there and found it very complete and far easier to use than a standard map (foldability).

The durable and convenient EasyFinder™ Charlottesville, Virginia will take all the wear and tear your journey can dish out. The laminated design allows you to mark your route, make notes, then wipe the surface clean for further use. This map features enhanced cartography with: Clearly indicated highways, County Boundaries, Streets, Points of Interest and National Parks.
