C.L. Marshall : Chesapeake Bay Duck Hunting Tales (Sports) before purchasing it in order to gage whether or not it would be worth my time, and all praised Chesapeake Bay Duck Hunting Tales (Sports):

It takes stubborn dedication and passionate optimism to brave the frosty, wet conditions for the chance to shoot ducks and geese. And yet the tradition continues every year as more than one million waterfowl occupy the waters of the Chesapeake. Whether you are setting decoys or watching the sun rise from a blind, hunting the bay is as challenging as

it is rewarding. No one understands that better than the generations who have experienced it, from the goose pits of Rock Hall and Chestertown to the frothing whitewater of the Tangier Sound. Join author and hunter C.L. Marshall as he recounts more than forty years of stories and anecdotes chock-full of dogs, good friends and fast-paced waterfowl action.
