**James Kavanagh, Waterford Press : Chicago Birds: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Chicago Birds: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide):

The Windy City isn't just a hub for commercial airlines: over 8 million birds migrate through town each autumn and spring. This beautifully illustrated guide highlights over 140 familiar and unique species and includes an eco-region map featuring prominent bird-viewing areas. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and ideal for field use by visitors and residents alike.

About the AuthorZoologist Jim Kavanagh has made a career out of introducing novices to plants, animals, the sciences and world cultures. In addition to creating over 500 simplified nature guides, he has also authored guides to languages, cities and outdoor skills. An avid traveler and backpacker, Kavanaghs path has taken him around the world to many remote destinations including the upper , Africa, Australia, and the Arctic Circle (and this is just the As). He is also the author of a series of state-specific guides to common species and natural attractions and a children's book on evolution.
