An amazing story!By Shirley StoreyIn July we took the Alaskan Inland Passage cruise and myhusband became interested in the Chilkoot Pass history.As soon as we got home I went to , found this book,got it for his birthday and he has thoroughly enjoyed it.He only wished he'd read the book before

we took our cruise.0 of 0 people found the following review helpful. awesome bookBy vaughangreat history, and a fun readmy husband and i love this bookgreat for preparing to hike the chilkoot8 of 9 people found the following review helpful. Good basic history on the Chilkoot PassBy lordhooTThis book provides a pretty decent history of the Chilkoot Pass and its usages during the Klondike Gold Rush era. In fact most of the book geared around the historical part of the Chilkoot although if anyone wishes to read a great book, Pierre Berton's Klondike: the Life and Death of the Last Gold Rush is definitely superior.But I was basically looking at the book as guide to hike the actual trail. Having read the latest version of this book and having hiked the Chilkoot Pass several times by now, I found the trail guide to be somewhat dated and rather uninformative. The basic details seem to be there but it looked like many of the information came second handed.Book remains a pretty good introductory effort but I would recommend further research before hiking the trail.

The Chilkoot Pass is indeed the most famous trail in the North, and Archie Satterfield has written a unique book that is ideal for both hikers and armchair travelers. This revised edition with current trail updates is history, adventure, and an excellent guide to the Klondike Gold Rush National Park all in one. The Chilkoot Trail has been called the "meanest 32 miles in history" and the history detailed in this book will corroborate that as well as why, conversely, hikers, travelers, and students today call it the "most beautiful 32 miles in Alaska and British Columbia." Archie Satterfield, an experienced hiker and outdoorsperson, has written more than twenty books. He's made several trips over the Chilkoot and down the Yukon River.

About the AuthorARCHIE SATTERFIELD is a writer, photographer, editor, and lecturer-teacher.
