Ellen Avril, Nora Ling-Yun : Chinese Art in the Cincinnati Art Museum before purchasing it in order to gauge whether or not it would be worth my time, and all praised Chinese Art in the Cincinnati Art Museum:

Beautifully illustrated throughout, this volume presents Chinese art from the Neolithic period through the Qing dynasty. It surveys the Cincinnati Art Museum's important collection of Chinese bronzes, sculpture, painting, ceramics, and decorative arts. The collection is noted for its superb Shang bronzes and Buddhist sculpture, fine ceramics, and masterworks by such painters as Ma Yuan, Liu Yuan, Qian Xuan, Wang Jian, and Badashanren. Organized by medium and including significant recent acquisitions, the 100 works of art are individually illustrated

and discussed in light of recent research.
