**Silvia Guadagni : Cicci Pasticci with the ukulele (Italian Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cicci Pasticci with the ukulele (Italian Edition):

I Cicci Pasticci, un anno dopo il coast to coast negli Stati Uniti, si rimettono in marcia. Strimpellate gli ukulele, indossate gonnelline di paglia e stappate le noci di cocco! Vi aspetta l'avventura sorprendente ed esilarante dei due viaggiatori folli alle isole Hawaii!
