Don't let Cincinnati's size fool you - it has plenty to offer residents looking to spend a lazy day exploring their hometown and tourists taking their first jaunt to the Queen City. With a world-class zoo, fantastic art galleries, and museums chock-full of interesting displays and special events, there's something here for everyone. Accompanied by 97 color images, this guidebook takes you to the foothills of the Appalachian Mountains, the landmarks of Piatt Castles and Stetson House, and explores the Buckeye State's history in aviation. Whether you're spending the day or a long weekend, Cincinnati and its surrounding areas are bound to amuse and intrigue.
