Rand McNally : Cincinnati, Greater before purchasing it in order to gage whether or not it would be worth my time, and all praised Cincinnati, Greater:

2 of 2 people found the following review helpful. Nice backup map for my GPSBy The ProThis is a nice map, I bought it for a backup if my GPS died when exploring Cincinnati and visiting relatives.

This is a detailed map of Greater Cincinnati, Ohio. Complete coverage for the cities and surrounding areas, with an inset map for downtown. Plus most major tourist and business districts. When you flip the maps over, you will find a complete street index and a "city and vicinity" map of the entire metro area
