**Kappa Map Group : Cincinnati / Northern Kentucky Atlas** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cincinnati / Northern Kentucky Atlas:

Disjointed, Hard to followBy flyingkiwiDisappointed with this map atlas - it is very hard to follow between maps as many of the numbers telling you where to go to the adjoining map are missing! It usually takes more time looking at the atlas working out where to go than it takes to travel. Not recommended.

Atlases by Kappa Map Group typically provide indexing, color-coded travel routes, ZIP codes and ZIP code boundaries. They also normally identify boundaries, railroads, block numbers, golf courses, parks, hospitals, schools/universities, cemeteries, shopping centers, and points of interest. Map books are treasured as travel guides

because of their convenience, detail, and area of coverage.
