Movies are interestingBy Bill BooseGreat book for western movie lovers. It' great to visit some of the places that the movies were made. Interesting reading.0 of 1 people found the following review helpful. but I was disappointed that it did not have more production photos on ...By DigsterI bought this book as used, so was cheaper, but I was disappointed that it did not have more production photos on set at these exterior locations, and details of using the Southwest as a location. If I knew this, I would not have bought it.

A chronicle of movies made in the Southwest
