Lonely Planet Kids, Moira Butterfield, Dynamo Ltd : City Trails - New York (Lonely Planet Kids) before purchasing it in order to gauge whether or not it would be worth my time, and all praised City Trails - New York (Lonely Planet Kids):

5 of 5 people found the following review helpful. Not what I had hoped By Tmarrez The book was laid out in a very random way. Pictures didn't always line up with the content of text on the same page. There was very little info about buildings and sites. I had hoped for a little detail so I could explain to my son what we are going to see on our trip. Simple facts like how tall a building is, what year it was built, and a brief history (similar to what the adult Lonely Planet books do) was what I expected. Instead this was more like visual snapshots of NYC sites with no to little supporting text. 0 of 0 people found the following review helpful. More trivia than travel guide By J. Manke This book has lots of fun facts and great graphics. However, not really a travel guide and not for the first time visitor. It's better if you have unusual interests, like 'trash' trivia and have already seen all the popular NY sites. The name implies that you would follow a trail through the city of for each unique topic, but I'm not sure how feasible that would be. There is no indication of how close places are in relation to each other. 1 of 1 people found the following review helpful. Great for kids (chapter book reading level) By Lunchtimerunner Got this for my daughter (she is 8) My husband is planning to take her to NYC for a weekend this year so I figured it would be nice for her to read up before they go. She loves it - so many things in there that she didn't know. Great book for kids that read chapter book

Here's a book about New York that's seriously streetwise! Let Marco and Amelia, our Lonely Planet explorers, take you off the tourist trail and guide you on a journey through New York you'll never forget. This book is perfect for anyone who has been to New York, plans to go there or is just interested in finding out more about this amazing city! Discover New York's best-kept secrets, amazing stories and loads of other cool stuff from the comfort of your own home or while visiting the city! But, you don't have to be a visitor or armchair traveller to enjoy this--New Yorkers are sure to learn new things about their very own city too! Find out what's lurking in the pumpkin garden, why you might find cows underground, how eating hotdogs could make you rich and lots more! For readers ages 8 and up. Contents: Street Life Skyscraper Fly-By Secret City Green New York Trash Town Urban Jungle Going Underground Bite Into the Big Apple Top Treasures It's Showtime Way to Go Harbor Tour Fright Fest Game On Sounds Great! Big Apple Art Street Sculpture Shop 'Til You Drop Movie Magic Also available: London City Trails, Paris City Trails.
