Bought it again when I couldn't find the first one I bought years ago before I went back to Rome again. Each walk is printed on a single card that fits easily in a pocket, and the walks cover all the places in Rome we wanted to go and then some. Very clear instructions on each card. So much easier than carrying a guidebook (that was years ago) or trying to read from a cell phone (so annoying).3 of 3 people found the following review helpful. City Walks RomeBy NorinordA truly great help when you don't want to look too much like a tourist. Very discreet and truly helpful. Have tried some of their other "walk" products and they are very helpful before you go, while you're there, and after you get
