GREAT GUIDE By Ms. Tessa Bartley If you are a mad tourist like me who wants to pack in all the signature sites of a destination, this book is the best guide you'll find. It gives you essential information on the top 25 things to do / see as well as a further list of additional interesting places / things. There are shopping / eating / entertainment recommendations too. The information is concise and makes planning your holiday as easy as 1, 2, 3!!! Also, fits nicely into your handbag or jacket pocket and doesn't weigh you down!! 13 of 13 people found the following review helpful. Great pocket guide for an impressively bewildering city By A Customer Tackling a new American city is always a challenge but this little guide gave me a handful of essential "must-sees" with transportation and location all mapped out. It also helped identify the "must-not-sees" - very helpful when time is limited.
