David Demontmollin, Dan Gura : Classic Vegas Mistakes before purchasing it in order to gage whether or not it would be worth my time, and all praised Classic Vegas Mistakes:

1 of 1 people found the following review helpful. Vegas Tips from a ProBy J. J. PietrzykI remember the first time I gambled at a casino and how embarrassed I was by the public shaming from dealers and other players. From "don't touch your cards" to "don't touch your chips," I soon learned there was a long list of rules not published to the public. Here are the rules. You will not read this and say, "well that's just common sense." I'm a Vegas regular and this advice

is priceless. 1 of 2 people found the following review helpful. Good investment of time and money
By Davar314
This book is funny and full of useful information. It's a short book and easy to read. You will get entertained and also pick up a whole bunch of practical information that potentially could save you a lot of money and awkwardness during your Vegas trip. I did not give it 5 stars for 2 reasons: #1 The book did not mention at all the most classic Vegas mistake of all. I'm talking about the mother of all Vegas mistakes (to paraphrase Saddam Hussein). I'm referring to the decision to go to Vegas in the first place. Let me give you an example. I'm in buffet line in Bellagio. In front of me a young couple (early 20's) are talking about paying for the buffet with a credit card that might or might not have been maxed out. Do you think this young couple should be in Vegas in the first place? #2 The book was a bit light on all the various characters in Vegas who make a living by prying on naive tourists. It mentioned some of the scams you encounter but I've seen a lot more. I would have added a whole new section to this book about this topic. In any event, I still highly recommend reading this book especially if this is your first trip to Vegas.

By Darren Longridge
Easy straightforward read with simple tips on what to do and what not to do. Vegas here we come !!!

Groups of guys have been making the same mistakes over and over in Las Vegas. These mistakes spoil the vacation. Classic Vegas Mistakes shows guys the ropes in Vegas by detailing errors of previous travelers. Through hundreds of easy-to-read mistakes that groups of guys make in Vegas, men learn how to save money, save time, and make the most out of their Vegas vacation. A excellent book to read on a plane flight to Vegas.
