**John Barbo : Cleveland Fishing Guide: Including the Lake Erie Shoreline, Inland Lakes, Reservoirs, Ponds, Rivers, and Streams** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cleveland Fishing Guide: Including the Lake Erie Shoreline, Inland Lakes, Reservoirs, Ponds, Rivers, and Streams:

1 of 1 people found the following review helpful. great for beginnersBy S. MagellanWe started fishing late last year with out knowing anyone else who fishes. We were able to get some info from helpful folks at tackle/bait shops and some other fishermen out on the lakes and rivers. We came across this book at a book store and decided to buy it online afterwards. It is full of great info for newbie fishermen or fishermen new to the area. It includes detailed maps of where you're more likely to catch some fish. I also liked that the author included nearby bait shops.0 of 0 people found the following review helpful. Here fishy fishy fishy.By Benjamin J. WagarThis book details local fishing spots and where to find each species of fish in the area. It would be nice if it had some specific tips and techniques for each location, or even species.0 of 0 people found the following review helpful. Five StarsBy Robert D. GoliasGood Book.

This guide leads anglers of all abilities to the best public fishing spots in Northeast Ohio. Its 55 destinations offer all varieties of sport fish and fishing available locally on the Lake Erie shoreline and in nearby inland lakes, reservoirs, ponds, rivers, and streams. Each chapter provides a detailed description of the site, tells what kind of fish can be caught there, gives bait suggestions and how-to tips, notes local regulations, and includes site maps and directions to get you to the prime fishing spotsfor Beginning, Intermediate, and Advanced fishermen. Drawings and descriptions introduce the most common sport fish found in this area, and pertinent information regarding their preferred habitat, locale, average size, consumption guidelines, and current Ohio catch record. Also contains a comprehensive directory of Northeast Ohio fishing resources, including charters, angling instruction, local sport groups and conservancy organizations, and bait and tackle shops. And features informative and humorous essays by the author.

The next time I go fishing, Im taking a thermos of hot coffee, bug spray, and John Barbo . . . A detailed and good-humored guide to 55 fishing destinations . . . Barbos personal experience, conversational writing style, and profound respect for the environment make his book a welcome addition to any nature lovers bookshelf. (Elaine T. Cicora The Bulletin 1998-09-03)Every Central Basin steelheader should have a copy of Cleveland Fishing Guide in his or her fishing vehicle. Its a great reference that, in conjunction with a GPS and up-to-date DeLorme Gazetteer, will get you on the water safely and efficiently . . . No matter if youre looking for smallmouth bass or walleye, bluegill or catfish, Barbo has a spot for you to wet a line. (Joe Cornwall FlyFishOhio.com 2008-07-03)The excellent, user-friendly fishing guide is not only easy to read, but often fun. (Sandy Fahning The Gazette 1998-12-12)[Includes] everything, in fact, but a recipe for Lake Erie bouillabaisse! . . . John Barbo writes concise, straightforward prose with underlying traces of a dry wit. (Bill Gerhauser Currents 1998-09-17)The most comprehensive local fishing guide the has yet come out . . . From the expert fisherman to the boy with a bobber, this book will become as useful as a pair of pliers in a tackle box. (Jason T. Stahl Avon Lake Press 1998-08-12)From the Inside FlapThis guide leads anglers of all abilities to the best public fishing spots in Northeast Ohio. Its 55 destinations offer all varieties of sport fish and fishing available locally on the Lake Erie shoreline and in nearby inland lakes, reservoirs, ponds, rivers, and streams. Each chapter provides a detailed description of the site, tells what kind of fish can be caught there, gives bait suggestions and how-to tips, notes local regulations, and includes site maps and directions to get you to the prime fishing spotsfor Beginning, Intermediate, and Advanced fishermen.
